

CHRIS-CRAFT PRESENTS 42 SHREWD WAYS TO SPEND YOUR BOATING DOLLAR

At Chris-Craft we build a rather striking array of boats. Everything from a \$689 10-foot yacht tender to a \$447,000 74-foot custom yacht. In fact, in the Chris-Craft fleet you'll discover a family of Tournament Fishermen, 7 family cruisers between 25 and 38 feet, 15 sport boats including the high-performance 5.4, 6.9 and 8 Meter XK series, and more yachts 41' and over than any other boatbuilder. We even make a Chris-Craft with sails, our 35' Caribbean Motor Sailer.

Take a few minutes to browse through our fleet, complete the coupon and invest 10¢ to mail this back to Chris-Craft. Then don't spend another nickle till your Chris-Craft dealer shows you everything new in the Chris-Craft line—which is just about everything.
